at the Mount Washington Hotel in Bretton Woods. The spring meeting will be held on May 8th. Joy will look at some of the suggested locations and see what is available.

Dr Sinkov's leaving created an opening in leadership positions. Dr Burns moved up to president and David Jevsevar volunteered to stepped into the VP position. Marc Michaud is serving in the At Large position. Glen Crawford agreed to stay on as "Immediate Past President" to fill in for Dr Sinkov.

The question of Physician Assistants as members was discussed. Dr Jevsevar reported that the AAOS does allow PA members but they are not allowed to vote. This is an item that would require a bylaws change to allow for a different type of member. The board will discuss and notice of intent to discuss will be sent out at least 30 days prior to the fall meeting.
